WHY ATTEND FREEDOM SCHOOLS?

**Scholars gain
10+ months reading level**

plus self-confidence and increased interest in science, technology, the arts, and engineering.

Freedom Schools sparks a love of learning, with a deep understanding of history, culturally relevant books and experiences, and serious fun built in. Kids have a great time in classes with a 10:1 scholar to teacher ratio. Parents and teachers see the difference in their children's skills, behavior, and confidence.

"School was easy when it started this fall. Freedom Schools made me confident to speak up for myself."
- A 3rd grade scholar

"Freedom Schools is a blessing." - Parent

"Last year, these students were struggling. After Freedom Schools, their noses are buried in books, they bring enthusiasm to class, and they stand out as role models to their peers."
-Elementary Teacher
